

Environmental Monitoring Platform

Dust, noise and weather data for environmental compliance and community reporting.

Configured

Software

Industry applications

KEY FEATURES

Dust, noise and weather monitoring

Thresholds and community alerts

Compliance reports for authorities

Public dashboard option

TYPICAL APPLICATIONS

Mining environmental compliance

Ports and bulk terminals

Construction projects

TECHNICAL HIGHLIGHTS

INPUTS	Dust, noise and weather sensors
--------	---------------------------------

OUTPUTS	Dashboards, alerts, reports
---------	-----------------------------

Indicative specifications, confirmed per project.

INDUSTRIES

Mining

Ports & logistics

Manufacturing

Configured: built on an ITTC platform and adapted to each project.

100% B2B. Supplied through ITTC partner companies specialized in each vertical. Contact us for the partner in your sector, a quotation or a technical briefing.
